MANAGEMENT INFORMATION CIRCULAR

(As at May 17, 2016, except as indicated)

This management information circular (“**Circular**”) is furnished in connection with the solicitation of proxies by the management (“**Management**”) of Aurcana Corporation (the “**Company**” or “**Aurcana**”) for use at the Annual General Meeting (the “**Meeting**”) of shareholders (“**Shareholders**”) of the Company to be held at 10:00 a.m. (Vancouver time) on Tuesday, June 28, 2016, at the place and for the purposes set forth in the notice of the Meeting (the “**Notice of Meeting**”).

PROXIES AND VOTING RIGHTS

Management Solicitation

The solicitation of proxies by Management will be conducted by mail and may be supplemented by telephone or other personal contact and such solicitation will be made without special compensation granted to the directors, regular officers and employees of the Company. The Company does not reimburse Shareholders, nominees or agents for costs incurred in obtaining, from the principals of such persons, authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this Circular and related proxy materials to their customers. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Circular. This Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

Registered Shareholders

If you are a registered Shareholder, you may wish to vote by proxy whether or not you attend the Meeting in person. If you submit a proxy, you must complete, date and sign the proxy, and return it to **TMX Equity Transfer Services**, 200 University Avenue, Suite 300, Toronto, Ontario, M5H 4H1 not less than 48 hours (excluding Saturdays, Sundays and holidays recognized in the Province of British Columbia) prior to the scheduled time of the Meeting, or any adjournment(s) or postponement(s) thereof.

Non-Registered Shareholders

Only directly registered Shareholders or duly appointed proxyholders are entitled to vote at the Meeting. Most Shareholders are non-registered Shareholders (“**Non-Registered Shareholders**”) because the common shares of the Company (“**Common Shares**”) they own are not registered in their names but are registered either: (a) in the name of an intermediary (an “**Intermediary**”) that the Non-Registered Shareholder deals with in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESSPs and similar plans); or (b) in the name of a clearing agency such as The Canadian Depository for Securities Limited in Canada or the Depository Trust Company, in the United States, of which the Intermediary is a participant.

These meeting materials are being sent to both registered and non-registered owners of the securities. If you are a

non-registered owner, and the Corporation or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. By choosing to send these materials to you directly, the Corporation (and not the Intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions or form of proxy delivered to you.

Intermediaries are required to forward the Meeting Materials to Non-Registered Shareholders unless the Non-Registered Shareholders have waived the right to receive them. Intermediaries often use service companies to forward the Meeting Materials to Non-Registered Shareholders. Generally, Non-Registered Shareholders who have not waived the right to receive Meeting Materials will either:

- a) Be given a proxy which **has already been signed by an Intermediary** (typically by a facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Shareholder but which is otherwise not completed by the Intermediary. This form of proxy is not required to be signed by the Non-Registered Shareholder when submitting the proxy. In this case, the Non-Registered Shareholder who wishes to submit a proxy should otherwise properly complete the form of proxy and **return it in accordance with the instructions provided in the proxy; or**
- b) More typically, be given a voting instruction form which **is not signed by the Intermediary** and which, when properly completed and signed by the Non-Registered Shareholder and **returned to the Intermediary or its service company**, will constitute voting instructions (often called a “**Voting Instruction Form**” or “**VIF**”), which the Intermediary must follow.

In either case, the purpose of these procedures is to permit Non-Registered Holders to direct the voting of the Shares they beneficially own. However, without specific voting instructions, Intermediaries and their agents and nominees are prohibited from voting shares for their clients. **Accordingly, each Non-Registered Shareholder should ensure that voting instructions are communicated to the appropriate party well in advance of the Meeting.**

Should a Non-Registered Shareholder who receives either a proxy or a VIF wish to attend the Meeting or have someone else attend on his or her behalf, the Non-Registered Shareholder should strike out the names of the persons named in the Proxy and insert the Non-Registered Shareholder’s (or such other person’s) name in the blank space provided or, in the cases of a VIF, follow the corresponding instructions on the form.

There are two kinds of beneficial owners – those who object to their name being made known to the issuers of securities which they own (called OBOs for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called NOBOs for Non-Objecting Beneficial Owners). Pursuant to NI 54-101, issuers can obtain a list of their NOBOs from intermediaries for distribution of proxy-related materials directly to NOBOs.

These Meeting Materials are being sent to both registered and non-registered owners of the Common Shares. If you are a Non-Registered Shareholder, and the Company or its agent has sent these Meeting Materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf.

The Intermediaries (or their service companies) are responsible for forwarding the Meeting Materials to each OBO, unless the OBO has waived the right to receive them. The Company does not intend to pay for Intermediaries to forward the Meeting Materials to OBOs. Accordingly, OBOs will not receive the Meeting Materials unless the Intermediary assumes the cost of delivery.

Appointment and Revocation of Proxies

The persons named in the accompanying form of proxy are directors and/or officers of the Company. A Shareholder has the right to appoint a person or company (who need not be a Shareholder) other than the persons whose names appear in such form of proxy, to attend and act for and on behalf of such Shareholder at the Meeting and any adjournment(s) or postponement(s) thereof. Such right may be exercised either by striking out the names of the persons specified in the form of proxy and inserting the name of the person or company to be appointed in the blank space provided in the form of proxy, or by completing another proper

form of proxy and, in either case, delivering the completed and executed proxy to TMX Equity Transfer Services, 200 University Avenue, Suite 300, Toronto, Ontario, M5H 4H1, not less than forty-eight (48) hours (excluding Saturdays, Sundays and holidays) before the time fixed for the Meeting, or any adjournment(s) or postponement(s) thereof.

A registered Shareholder of the Company who has given a proxy may revoke the proxy by: (a) depositing an instrument in writing, including another completed form of proxy, executed by such registered Shareholder or by his or her attorney authorized in writing or by electronic signature or, if the registered Shareholder is a corporation, by an officer or attorney thereof properly authorized, either: (i) at the principal office of the Company at any time prior to 5:00 p.m. (Vancouver time) on the last business day preceding the day of the Meeting or any adjournment(s) or postponement(s) thereof, (ii) with the said office of TMX Equity Transfer Services Attn: Proxy Department at any time prior to 5:00 p.m. (Vancouver time) on the last business day preceding the day of the Meeting or any adjournment(s) or postponement(s) thereof, or (iii) with the Chairman of the Meeting on the day of the Meeting or any adjournment(s) or postponement(s) thereof; (b) transmitting, by telephone or electronic means, a revocation that complies with paragraphs (i), (ii) or (iii) above and that is signed by electronic signature, provided that the means of electronic signature permits a reliable determination that the document was created or communicated by or on behalf of such Shareholder or by or on behalf of his or her attorney, as the case may be; or (c) in any other manner permitted by law including attending the Meeting in person.

A Non-Registered Shareholder who has submitted a proxy may revoke a VIF or proxy that has been given to an Intermediary or to the service company that the Intermediary uses by following the instructions of the Intermediary respecting the revocation of proxies, provided that an Intermediary is not required to act on a revocation of a proxy or VIF which is not received by the Intermediary at least seven days prior to the Meeting.

Voting and Discretion of Proxies

The Common Shares represented by an appropriate form of proxy will be voted or withheld from voting on any ballot that may be conducted at the Meeting, or at any adjournment or postponement thereof, in accordance with the instructions of the Shareholder thereon. **In the absence of instructions, such Common Shares will be voted in favour of each of the matters referred to in the Notice of Meeting as specified thereon.**

The enclosed form of proxy, when properly completed and signed, confers discretionary authority upon the persons named therein to vote on any amendments to or variations of the matters identified in the accompanying Notice of Meeting and on other matters, if any, which may properly come before the Meeting or any adjournment or postponement thereof.

NOTICE AND ACCESS

The Company is not sending the Meeting Materials to registered Shareholders or Non-Registered Shareholders using notice-and-access delivery procedures defined under NI 54-101 and National Instrument 51-102, *Continuous Disclosure Obligations* (“**NI 51-102**”).

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No director or executive officer of the Company who was a director or executive officer since the beginning of the Company’s last financial year, no proposed nominee of Management for election as a director of the Company and no associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in matters to be acted upon at the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Company is authorized to issue an unlimited number of Common Shares without par value. As of the record date, determined by the Board of Directors of the Company (the “**Board**”) to be the close of business on May 17, 2016 (the “**Record Date**”), a total of 84,644,973 Common Shares were issued and outstanding. Each Common Share entitles the Shareholder of record to one vote at the Meeting. The Company has no other classes of voting securities. Only registered Shareholders as of the Record Date are entitled to receive notice of, and to attend and vote at, the Meeting or any adjournment(s) or postponement(s) of the Meeting.

To the knowledge of the Company's directors and executive officers, as at the Record Date, Orion Mine Finance (Master) Fund I LLP holds 16,499,501 common shares, representing 19.49% of the issued and outstanding common shares of the Company. No other person beneficially owns, directly or indirectly, or controls or directs Common Shares carrying 10% or more of the voting rights attached to all of the Company's Common Shares.

MATTERS TO BE ACTED UPON AT THE MEETING

TO THE KNOWLEDGE OF THE CORPORATION'S DIRECTORS, THE ONLY MATTERS TO BE PLACED BEFORE THE MEETING ARE THOSE REFERRED TO IN THE NOTICE OF MEETING ACCOMPANYING THIS INFORMATION CIRCULAR. HOWEVER, SHOULD ANY OTHER MATTERS PROPERLY COME BEFORE THE MEETING, THE SHARES REPRESENTED BY THE PROXY SOLICITED HEREBY WILL BE VOTED ON SUCH MATTERS IN ACCORDANCE WITH THE BEST JUDGMENT OF THE PERSONS VOTING THE SHARES REPRESENTED BY THE PROXY.

1. Financial Statements

The Board has approved the audited consolidated financial statements for the fiscal year ended December 31, 2015, together with the auditor's report thereon. Copies of these financial statements have been sent to those Shareholders who had requested receipt of the same and are also available on SEDAR at www.sedar.com.

2. Set Numbers of Directors

At the Meeting, Shareholders will be asked to pass an ordinary resolution to set the number of directors of the Company for the ensuing year at four. The number of directors will be approved if the affirmative vote of at least a majority of Common Shares present or represented by proxy at the Meeting and entitled to vote thereat are voted in favour of setting the number of directors at four.

The shares represented by proxy will be voted FOR the resolution to set the number of directors for the ensuing year at four, unless the Shareholder has specified in the form of proxy that the Shareholder's Common Shares are to be voted against the resolution.

3. Election of Directors

Majority Voting Policy

The Board of Directors adopted a Majority Voting Policy pursuant to which, with respect to uncontested elections, each nominee who receives a greater number of votes "withheld" than votes "for" will tender his or her resignation to the Chair of the Compensation and Corporate Governance Committee ("**CCG Committee**") promptly following the shareholders' meeting. The CCG Committee will consider the offer of resignation and will make a recommendation to the Board on whether to accept it. In considering whether or not to accept the resignation, the CCG Committee will consider the circumstances of such vote, including, without limitation, any stated reasons why shareholders withheld votes from the election of the director, the length of service and the qualifications of the director whose resignation has been tendered, the director's contributions to the Company and the effect that such resignation may have on the Company's ability to comply with corporate governance guidelines and applicable laws and make whatever recommendation the CCG Committee deems appropriate. The CCG Committee will be expected to accept the resignation except in situations where the considerations would warrant the applicable director continuing to serve on the Board. The Board will make its final decision and announce it in a press release within 90 days following the Meeting. A director who tenders his or her resignation pursuant to this policy will not participate in any meeting of the Board or the CCG Committee at which the resignation is considered.

The Company's current Board consists of Kevin Drover, Adrian Aguirre, Jerry Blackwell and José Manuel Bórquez. Each director elected will hold office until the next annual general meeting or until his successor is duly elected or appointed unless his office is earlier vacated in accordance with the articles of the Company or unless he becomes disqualified to act as director.

Management of the Company does not contemplate that any of the nominees will be unable to serve as a director but, if that should occur for any reason prior to the Meeting, the persons designated in the enclosed form of Proxy reserve the right to vote for other nominees in their discretion.

Management of the Company proposes to nominate the following four persons as further described in the table below, for election by the Shareholders as directors of the Company to hold office until the next annual meeting. Information concerning such persons, as furnished by the individual nominees, as at Record Date, is as follows:

Confirmation of the Recapitalization Plan was fully consensual: the only class of creditors entitled to vote overwhelmingly voted in favor of the Recapitalization Plan and not party objected to confirmation of the Recapitalization Plan. Under the confirmed Recapitalization Plan, subject to the conditions set forth in the recapitalization agreement and the restructuring and support agreement. Maxcom completed a recapitalization and debt restructuring on September 30, 2013.

Shareholders can vote for all of the proposed nominees for directors of the Company, vote for some of the proposed nominees and withhold for others, or withhold from voting for all or any of the proposed nominees. STATEMENT OF CORPORATE GOVERNANCE PRACTICES

National Instrument 58-201 – *Corporate Governance Guidelines* (“**NI 58-201**”) establishes corporate governance guidelines which apply to all public companies. The Company has reviewed its own corporate governance practices in light of these guidelines. NI 58-101 mandates disclosure of corporate governance practices which disclosure is set out below.

Board of Directors

The Board is currently comprised of four directors and it is proposed that four directors will be nominated at the Meeting.

NI 58-201 recommends that the board of directors of every listed company should consist of a majority of individuals who qualify as "independent" directors under National Instrument 52-110 – *Audit Committees* (“**NI 52-110**”), which provides that a director is independent if he or she has no direct or indirect “material relationship” with the company. “Material relationship” is defined as a relationship which could, in the view of the company’s board of directors, be reasonably expected to interfere with the exercise of a director’s independent judgment.

Kevin Drover, is considered “not independent”, as he is the President and CEO of the Company. Each of the remaining three nominated directors is considered by the Board to be "independent", within the meaning of NI 52-110. In making the foregoing determinations, the circumstances of each director have been examined by the Board in relation to a number of factors.

The Board facilitates its exercise of independent supervision over management through the independent directors on the Board. The independent directors may hold meetings at which non-independent directors and members of management are not in attendance in conjunction with meetings of the Board.

The following chart illustrates the number of meetings of the Board and each committee, and the director’s attendance during fiscal 2015, with each director’s attendance shown relative to the number of meetings in which he was eligible to participate in:

Director	Board Meeting	Committees	
		Audit	Compensation and Corporate Governance Compensation
Adrian Aguirre	11/11	5/5	2/2
Kevin Drover	11/11	N/A	2/2
Jerry Blackwell ⁽¹⁾	11/11	1/1	N/A
José Manuel Bórquez	11/11	5/5	N/A

(1) Mr. Blackwell joined the Audit Committee as of October 14, 2015.

Mandate of the Board of Directors

The Board has responsibility for the stewardship of the Company. That stewardship includes responsibility for strategic planning, identification of the principal risks of the Company’s business and implementation of appropriate systems to manage these risks, succession planning (including appointing, training and monitoring senior management), communications with investors and the financial community and the integrity of the Company’s internal control and management information systems.

Directorships

The current directors are directors of other reporting issuers as follows:

Name of Director	Name of Other Reporting Issuer
Kevin Drover	Aquila Resources Inc. Thompson Creek Metals Inc.
Jerry Blackwell	Gitennes Exploration Inc.

Orientation and Continuing Education

The Board does not have a formal orientation and education program for new directors. Upon joining the Board, each director is provided with an orientation package regarding the role of the Board, its committees and its directors, and the nature and operation of the Company's current and past business. They are also provided with a copy of the Audit Committee Charter, Corporate Governance and Compensation Committee Charter and Code of Business Conduct. The Board encourages directors to participate in continuing education opportunities in order to ensure that the directors may maintain or enhance their skills and abilities as directors, and maintain a current and thorough understanding of the Company's business.

Ethical Business Conduct

Corporate governance is the structure and process used to direct and manage the business and affairs of a corporation with the objective of enhancing shareholder value. The Board believes that the Company has in place corporate governance practices that are both effective and appropriate to the Company's size and business operations.

To facilitate meeting this responsibility, the Board seeks to foster and maintain a culture of ethical business conduct and social responsibility as critically important. Management consistently strives to instill the Company's principles into the practices and actions of the Management and the Company's employees.

In that regard, the Board adopted a written Code of Business Conduct (the "Code") for its directors, officers, employees and consultants that is reviewed and signed annually. A copy of the Code can be found on the Company's website at www.aurcana.com and has been posted on SEDAR at www.sedar.com.

Nomination of Directors

The Board considers its size from time to time and annually when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of views and experience. The Board does not have a nominating committee; these functions are currently performed by the Compensation and Corporate Governance Committee. Additionally, each member of the Board, together with the assistance of executive management, assists with identifying new candidates through various means, including representatives of the mineral exploration industry.

New nominees are expected to have a track record in general business management, special expertise in areas of strategic interest to the Company and the ability to devote the time required.

If the Board determines that a candidate seems promising, the Board will conduct due diligence on the candidate and if the results are satisfactory, the candidate is interviewed and may be invited to join the Board.

Compensation

The Board has established a Compensation and Corporate Governance Committee, presently comprised of Adrian Aguirre and Kevin Drover. Mr. Aguirre is independent within the meaning of NI 52-110. The CCG Committee recommends to the Board the compensation of the Company's directors and officers, including stock options, among other things, and has adopted a CCG Committee charter. See "*Statement of Executive Compensation*" for further details.

The Board is of the view that the members of the CCG Committee collectively have the knowledge, skills, experience and background to make decisions on the suitability of the Company's compensation policies and practices. A description of such skills and experience for Mr. Aquirre is set out in this Circular under the heading "Audit Committee- Relevant Education and Experience" and such skills and experience for Mr. Drover, is set out below.

Kevin Drover, President and CEO of the Company, is currently the Chairman of Avron Mining Corp. Mr. Drover was the Chief Operating Officer of Glencairn Gold Corporation, responsible for two gold mining operations located in Latin America. Prior to joining Glencairn, he was the Vice President of Operations for Kinross Gold Corporation, overseeing six operating mines located in various parts of the World. He has considerable experience in turning around challenging projects and has worked in operations located in Canada, Russia, Peru, Nicaragua, Costa Rica and the USA. During his career, Mr. Drover also worked for Black Hawk Mining, Lac Minerals, BP Canada Resources, Noranda Mining, Dome Mines and The Iron Ore Company of Canada.

STATEMENT OF EXECUTIVE COMPENSATION

The following Statement of Executive Compensation is prepared in accordance with National Instrument Form 51-102F6. The purpose of this Statement of Executive Compensation is to provide disclosure of all compensation earned by directors and certain executive officers in connection with their position as a director or officer of, or consultant to, the Company.

Named Executive Officers

For the purpose of this Circular, a Named Executive Officer ("NEO") of the Company means each of the following individuals:

- a) the CEO of the Company;
- b) the CFO of the Company;
- c) each of the Company's three most highly compensated executive officers, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000, as determined in accordance with subsection 1.3(6) of Form 51-102F6, for that financial year; and
- d) each individual who would be an NEO under paragraph (c) but for the fact that the individual was neither an executive officer of the company, nor acting in a similar capacity, at the end of that financial year.

For the financial year ended December 31, 2015, the Company had two NEOs being Kevin Drover, President and CEO, and Salvador Huerta, CFO.

Compensation Discussion and Analysis

The CCG Committee, on behalf of the Board, establishes and administers policies with respect to the compensation of the Company's CEO and executive officers ("**Executive Officers**"). The CCG Committee is responsible to review and approve the corporate goals and objectives relevant to the compensation of the CEO and for evaluating the performance of the CEO in light of these goals and objectives. The CCG Committee recommends to the Board the compensation for the CEO based on such evaluations. The CCG Committee reviews annually the objectives set by the CEO for Executive Officers and with the assistance of the CEO, monitors the performance of the Company's Executive Officers. The CCG Committee is also responsible for making recommendations to the Board with respect to incentive stock options.

Objectives of the Compensation Program

The primary objective of the Company's executive compensation program is to attract, motivate and retain top quality individuals at the executive level. The program is designed to ensure that the compensation provided to the Company's Executive Officers is determined with regard to the Company's business strategy and objectives, such that the financial interests of the Executive Officers are matched with the financial interests of the Shareholders.

Elements of Compensation

A combination of fixed and variable compensation is used to motivate executives to achieve overall company goals.

The three basic components of the executive compensation program are:

- Base salary: designed to provide income certainty and to attract and retain executives;
- Annual bonus: intended to reward each Executive Officer for their yearly individual contribution and performance of personal objectives in the context of overall annual corporate performance. The bonus is designed to motivate executives annually to achieve their predetermined objectives; and
- Stock options: Granted time to time as a form of long-term incentive compensation, to align executives' interests with those of the Shareholders and to attract and retain executives. Participants benefit only if the market value of the Company's common shares at the time of the stock option exercise is greater than the exercise price of the stock options at the time of grant.

The compensation program also includes severance and change of control benefits.

Benchmarking

In establishing salaries and incentive compensation for the Executive Officers consideration is given to salary ranges for comparable positions in similar size companies. Data for such comparisons is obtained from the evaluation of compensation against industry peers including those with a similar market capitalization, in the business of exploring similar minerals in similar jurisdictions, and from reviewing similar other companies compensation information included in their information circulars.

In 2012, the CCG Committee engaged Lane Caputo Compensation Inc. ("**Lane Caputo**"), an independent consulting firm specializing in executive and board of director compensation. Lane Caputo worked with the CCG Committee to review executive compensations and to make the appropriate recommendations to the Company using their comparative compensation analysis of comparable industry peer groups.

For the year ended December 31, 2015, the CCG Committee continued to structure executive compensation based on Lane Caputo's compensation analysis. The benchmark compensation was based against a group of relevant peer companies which are comparable to the Company in terms of size, annual revenues, and minerals resources and production volumes. In order to benchmark the compensation competitiveness of the Company's executives and directors and adhere to the CCG Committee's desire to include only producing silver companies to the greatest extent possible the following group of companies (the "**Peer Group**") were chosen, having operations in the USA, Mexico and other Latin American jurisdictions.

The industry Peer Group established in 2012 by Lane Caputo comprised of the following companies:

Alexco Resource Corp.	Primero Mining Corp.	Fortuna Silver Mines Inc.
Dia Bras Exploration Inc.	Revett Minerals Inc.	Great Panther Silver Ltd.
Endeavour Silver Corp.	Silver Standard Resources Inc.	Jaguar Mining Inc.
Excellon Resources Inc.	Scorpio Mining Corp.	Silvermex Resources Inc.
First Majestic Silver Corp.	SilverCrest Mines Inc.	

The CCG Committee compared the Company's executive positions against the Peer Group for the following elements of compensation:

- Salary;
- Target bonus;
- Total cash compensation;
- Equity participation; and
- Total direct compensation.

In setting salaries within competitive ranges, the CCG Committee considers performance related factors including the Company's overall results during the past year and its performance relative to a budgeted plan or stated objectives. Consideration also is given to an individual's contribution to the Company and the accomplishments of departments for which that officer has management responsibility, and the potential for future contributions to the Company.

The Company has implemented a health plan benefits for its employees ("**Benefits Plan**"), but does not have pension plan benefits or retirement benefits. Those Executive Officers retained under consulting agreements are not included in the Benefits Plan. There were no identified risks arising from the Company's compensation policies and practices that are reasonably likely to have a material adverse effect on the Company. The Company maintains an insurance policy for its directors and officers against liability incurred by them while performing their duties, subject to certain limitations.

Company and CEO Objectives

The Company's corporate objectives and CEO objectives for fiscal 2015 consisted of: 1) the successful execution of a business operation plan and operating budget; 2) successful execution of an exploration program at the Company's La Negra mine to add to the Company's resource phase; 3) ongoing organization strengthening in regards to finance, operations, exploration and investor relations; 4) ongoing review and analysis of potential companies or resources to add significant shareholder value; and 5) ensuring Company policies related to safety, environment and human resources are successfully executed.

Based on the Company's performance in fiscal 2015, no bonuses were paid to senior management.

Risk of Compensation Practices and Disclosure

Although the Company does not have formal policies specifically targeting risk-taking in a compensation context, the practice of the CCG Committee and the Board is to consider all factors relating to an executive officer's performance, including any risk mitigation efforts or excessive risk-taking, in determining compensation.

Hedging Policy

Under the Company's policies, NEO's and directors are not permitted to purchase financial instruments (including prepaid variable contracts, equity swaps, collars or units of exchange funds) that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held directly or indirectly by the NEO or director.

Subject to the foregoing, each member of the Committee shall hold such office until the next annual meeting of shareholders after his or her election as a member of the Committee.

As part of its job to foster open communication, the Committee will meet at least annually with the Chief Executive Officer and the external auditors in separate sessions to discuss any matters that the Committee or each of these parties believe should be discussed privately.
