

## **NEWS RELEASE**

### **Aurcana Closes \$50 million Loan Facility**

**Vancouver, BC, September 19, 2013** - Aurcana Corporation ("Aurcana" or the "Company") (TSXV: AUN, OTCQX: AUNFF) is pleased to announce that it has executed definitive agreements with MF2 Investment Holding Company (Cayman) Limited, part of Orion Mine Finance Fund I ("Orion Mine Finance"), for a loan facility in the principal amount of US\$50,000,000 (the "Loan") and an Offtake Agreement (the "Offtake Agreement") for silver and gold (the "Material") produced at the Company's Shafter mine. A total of approximately US\$13 million from the Loan proceeds will be used by the Company to complete the construction and upgrade work for Shafter mine and the balance of the Loan will be used to repay certain indebtedness and for otherwise advancing the La Negra and Shafter mines.

Mr. Lenic Rodriguez, the Company's President & CEO states: *"The closing of the US\$50 million non-dilutive Loan facility is an important achievement for Aurcana and provides the Company with a significant cash infusion during challenging market conditions. The Loan will be sufficient to complete the Shafter ramp up and increase efficiencies at La Negra and provides flexibility in pursuing our growth objectives. This transaction demonstrates the confidence shown in Aurcana's mines, management and leadership by one of the leading mining sector focused investment funds. We look forward to a long term relationship with Orion Mine Finance while we continue to work on our goal to become an emerging senior silver producer."*

#### **Loan Highlights:**

- Loan provides non-dilutive financing facility to the Company.
- Interest payable is set at 3 month US\$ LIBOR (subject to a 1% minimum) plus 5.5%.
- Term of Loan is 39 months after closing with no principal payable until four months after closing. Early repayment of the Loan may occur at any time without charges.
- Aurcana has agreed to sell silver and gold produced from the Shafter mine to Orion Mine Finance at market prices for either a 6 year period, or until Aurcana has sold a minimum of 27 million oz of silver, whichever is later, subject to an early buy-out provision.
- The Loan is subject to a 1% origination fee.
- The Loan will be unsecured at the time of advancement, but may become secured in certain circumstances.

The Loan facility strengthens Aurcana's balance sheet and provides significant financial flexibility to complete its corporate growth objectives.

In connection with the Loan, the Company will pay to Pashleth Investment Ltd., an arm's length party to the Company, a finder's fee of US\$250,000.

#### ***About Aurcana Corporation***

Aurcana Corporation is a primary silver producing company with two mines: the La Negra Mine in Mexico and the Shafter Mine in Texas, US. The Company is in a position to grow organically from its existing mines in its pursuit to become an emerging senior silver producer. Aurcana continues to focus on its future growth.

### NR-13-29

*This news release contains certain forward-looking statements, including statements regarding the anticipated use of proceeds of the debt financing, future plans and objectives of the Company and the business and anticipated financial performance of the Company.*

*Any statements that express or involve discussions with respect to predictions, expectations, beliefs, plans, projections, objectives, assumptions or future events or performance (often, but not always, using words or phrases such as "expects" or "does not expect", "is expected", "anticipates" or "does not anticipate" "plans", "estimates" or "intends" or stating that certain actions, events or results "may", "could", "would", "might" or "will" be taken, occur or be achieved) are not statements of historical fact and may be "forward-looking statements". Forward-looking statements are subject to a variety of risks and uncertainties which could cause actual events or results to materially differ from those reflected in the forward-looking statements.*

*Actual results may differ materially from results contemplated by the forward-looking statements. Important factors that could differ materially from the Company's expectations include, among others, risks related to international operations, unsuccessful exploration results, the ability of suppliers to provide equipment, the availability of skilled labour, conclusions of economic evaluations and changes in project parameters as plans continue to be refined as well as changes in metal prices, changes in the availability of funding for mineral exploration and development, unanticipated changes in key management personnel and general economic conditions. When relying on forward-looking statements to make decisions, investors and others should carefully consider the foregoing factors and other uncertainties and should not place undue reliance on such forward-looking statements. The Company does not undertake to update any forward-looking statements, oral or written, made by itself or on its behalf, except as required pursuant to applicable securities laws. Accordingly, readers should not place undue reliance on forward-looking statements.*
